Dax Landess

GAME DESIGN STUDENT / DIGITAL ARTIST

Bloomington-Normal, IL | daxelrose11@gmail.com
Portfolio: drlande.github.io/portfolio/ | itch.io: itch.io/profile/sakumz

Creative Technologies student focused on level design and visual storytelling, with experience creating published board games, developing an Unreal Engine team prototype, and drawing commissioned artwork.

SELECTED PROJECTS

Capstone Project In progress

Producer, Game Designer and Art Director | Team project

- Coordinate team tasks and development priorities.
- Design gameplay mechanics and refine the player experience.
- Guide the game's visual style and overall art direction.

Independent Board Games Published

Designer | Two original tabletop games

- Designed and published two original board games, including their rules and gameplay mechanics.

EXPERIENCE

Sales Associate | Best Buy 2024 - Present

- Help customers compare technology products and identify options that fit their needs.

Freelance Illustrator 2022 - 2024

- Created custom drawings from client descriptions, translating requested subjects into finished artwork.

Lifeguard | YMCA, Bloomington, IL 2023 - 2024

- Monitored swimmers and communicated pool rules to support a safe environment.

Cook | Pokeworks 2022 - 2023

- Prepared food and took customer orders.

Concessions Team Member | Marcus Theatres 2021 - 2022

- Prepared concession items and took customer orders at the front counter.
